

## **Inclement Weather Notice**

During the winter weather season, it is a good idea to make plans for snow and ice.

Baylor Scott & White Internal Medicine Las Colinas follows the Irving Independent School District (Irving ISD) inclement weather protocol. In the event of inclement weather, the decision to open or close schools will be made no later than 6 a.m. on that day. The district will call the radio and television stations by 6 a.m. to inform them whether or not the schools are to be open or closed. The station will then broadcast the information to the public.

If the clinic is closed due to inclement weather, to leave a message for the office please call 972-406-1199.

We apologize in advance for the inconvenience.
